

Heat Pump Condensing Dryer, 9kg, Steam Care

Series 9 | Heat Pump

White

Better energy efficiency and fabric care with heat pump condensing technology, which quickly dries your clothes at a lower temperature.

- 23 fabric care cycles including Steam Freshen to quickly dewrinkle and deodorise your clothes
- TangleProtect technology reduces clothes tangling and ensures even drying
- Speed mode reduces drying times of cycles
- Class-leading A+++ energy rating

DIMENSIONS

Height	850mm
Width	600mm
Depth	670mm

FEATURES & BENEFITS

THE PINNACLE OF FABRIC CARE

Intuitive controls with clever drying hints help you get the best results. The LCD display provides a simple interface to select from 23 dry cycles; including Steam Freshen, Hygiene, Activewear, Wool, Silk and Denim.

DEWRINKLE, DEODORISE, DETANGLE

Steam cycle is perfect for occasions where clothes have been worn once and need freshening up. An alternative to full-cycle washes, it removes odours without using detergent, and gently eases the creases out of clothes to save you precious time spent ironing.

CUSTOMISE YOUR DRYING WITH OPTIMISE DRY

For a focus on energy efficiency, dry with the default Optimise Dry Eco option. Choose Speed to shorten cycle times, while Quiet mode reduces cycle noise – perfect for late night laundry. Available on Everyday, Cottons, Towels and Heavy cycles.

TANGLEPROTECT TECHNOLOGY

TangleProtect technology pairs an advanced air circulation system with true reverse tumbling to reduce tangling and balling during the dry cycle – ensuring your clothes and sheets are dried consistently and evenly.

FASTER DRY TIMES

Speed mode utilises a variable speed compressor to deliver a faster drying time, closer to timings experienced with vented dryers.

A+++ ENERGY RATING

This dryer uses heat pump technology to gently and effectively dry clothes at low temperatures. With an outstanding A+++ energy rating, you can dry with confidence.

HEALTH AND HYGIENE

The Hygiene cycle provides extra protection for your clothes. The extra high dry temperature is designed to kill more than 99.9% of bacteria and reduce allergens, perfect for durables such as sheets and towels.
